ADM-6.2

MEMORANDUM FOR: Director of Logistics

SUBJECT : Training Program with [REDACTED]

25X1A5a1

25X1A5a1
25X1C8a

1. The Assistant Director for ELINT desires to establish a contract with [REDACTED] to provide for the training of Agency and [REDACTED] personnel. The course is designed to provide for the training of operators and analysts in the recognition of signals emitted by hostile electronic systems and the application of new and novel intercept techniques. Additionally, students will be acquainted with the parameters of advanced radar and electronic collection and analysis systems.

25X1A5a1

2. [REDACTED] has been selected as sole source to sponsor the Advanced Evaluation Techniques Course because of their experience in equipment manufacture and their prior contribution to Agency collection and analysis programs. Presently, [REDACTED] has a grouping of engineers, intelligence oriented, who are working on OEL contracts which are directly related to the Agency's collection and analysis mission. In this role, the contractor has conducted numerous studies relating to the [REDACTED] by [REDACTED] a prime requisite for the training course.

3. The attached proposal was solicited from [REDACTED] and sets forth the curricula of the training program. This proposal (85 TA) has been reviewed by OEL engineering personnel and has been found acceptable both with respect to scope and cost. The proposal provides for the course to commence 2 November for a period of two weeks. The course is designed to accommodate six to twelve students, two foreign and the remainder interested Agency personnel.

4. Based on the foregoing, it is requested that a task order be negotiated with [REDACTED] in accordance with the proposal attached. Requisition ELR-213-65, attached, substantiates the [REDACTED] this Office has encumbered for purposes of executing the contract. Association of the Agency with this contract is to be classified SECRET to protect the identity of foreign nationals who are participating in these studies.
